arundinacea

gigantea

Elworthy Cottage Introductions

I have limited stocks available of the following plants which were found as seedlings in the garden here:-

- | | |
|---|---|
| 'Centaurea Elworthy Glacier'
(New cv name 2010) | - Pale blue cornflowers with a hint of pink. Dark centre |
| Geranium 'Elworthy Dusky'
(new cv. name 1997) | - A very pretty dusky pink seedling from G. Brookside, 30cm. Summer. (Not available this year) |
| Galanthus 'Elworthy Bumble Bee' (niv)
(new cv name 2005) | - An early double with well rounded flowers and swept back outers. |
| Geranium 'Elworthy Eyecatcher'
(new cv name 2001) | - A seedling found on the nursery (possibly <i>endressii</i> x <i>wallichianum</i>). Many large, eye-catching, deep pink fls over a long season. 18". June - November. |
| Geranium 'Elworthy Tiger'
(new cv name 2006) | - Large blue fls darker veins. 6". Summer. |
| Geranium nodosum 'Blueberry Ice'
(new cv name 2011) | - Dark purple fls with frosted white edges to petals. Glossy leaves. 1ft. Summer - autumn. Sun or shade. |
| Geranium x ox. 'Elworthy Misty'
(new cv. name 1998) | - A chance seedling of G x ox. 'Walter's Gift'. The same wonderful brown blotched foliage but deep pink flowers. Evergreen. 1ft. Early summer - late autumn. |
| Leucanthemum 'Elworthy Sparkler'
(new cv. name 2004) | - Cream buds opening to large creamy-white fls eventually turning white. Sturdy and upright. 3 - 4ft. Late summer - early autumn. |
| Monarda Elworthy
(new cv name 2006) | - Purple fls with paler stripe on stocky, robust plant. 12 - 18". Summer - autumn. Good perennial habit |
| Polemonium 'Elworthy Amethyst'
(new cv. name 1996) | - Rich purple flowers over a long season. Vigorous, 80cm. Summer - autumn. |
| Pulmonaria 'Elworthy Rubies'
(new cv. name 1998) | - Salmon-red flowers. Long, spotted leaves. Tall, robust and vigorous. 1ft. One of the earliest to flower. January - April. (Not available this year) |
| Viola Exmoor Cream
(new cv name 2014) | - Large creamy-white flowers over long season. 6". Late spring - autumn. Scented. Sun/part shade. |
| Viola Elworthy Velvet
(new cv name 2014) | - Velvety dark purple, scented flowers over long season. Spring to autumn. 6". Sun/part shade. Very floriferous. |
